PROFESSIONAL EXPERIENCE

Architectural Designer | Architecture & Decoration Office (Oxford Grad) *Sep 2024 – Mar 2025 | Tlemcen, Algeria*

- Delivered end-to-end architectural design and interior decoration for diverse residential and commercial projects.
- Developed residential villa designs with complete drawing packages: plans, elevations, sections, and 3D visualizations.
- Produced high-quality renders and concept boards; managed client feedback and revision cycles from concept to delivery.

Architectural Designer | Al Rayyan Engineering Consultant *Feb 2024 – Dec 2024 | Abu Dhabi, UAE*

- Created comprehensive 2D/3D architectural plans and interior layouts for residential villa projects.
- Obtained municipality construction permits ensuring full regulatory compliance with UAE building codes.
- Supervised construction sites and coordinated structural and MEP design integration with engineering teams.

Architectural Designer | Deco Reve Architecture & Decoration Office *Sep 2022 – Dec 2023 | Tlemcen, Algeria*

- Designed major-scale projects including hotels and cultural centers, managing complex program requirements.
- Prepared detailed CES plans, architectural details, and technical documentation for construction teams.
- Led client consultations to define project briefs; coordinated multidisciplinary architectural, structural, and MEP teams.
