TECHNICAL VISITS

LEGENDA

- SESSION 1** Cities and climate change
- SESSION 2** Smart horticulture for sustainable cities
- SESSION 3** Green infrastructures for more efficient ecosystem services
- SESSION 4** Designing and engineering greener cities: bridging visions
- SESSION BA** Business Action: a networking forum for scientists, entrepreneurs, practitioners and policy makers.

BA Business Action

The theme will be introduced by a Company whose production is relevant to the Symposium topics.

Three round tables, called BUSINESS ACTIONS, are planned as plenary sessions and will cover the following main themes:

- BA1:** Green infrastructures for urban climate change resilience
- BA2:** Innovative Urban Food Systems
- BA3:** Green Infrastructures for Energy Efficiency

Each Company leading a Business Action will have the opportunity to give a 5-minute talk presenting its products, studies and news to an international target focused on the Symposium contents.
